In October, Petanque in New Zealand will come of age, that's 21 years strong.

The Board is asking Clubs and Regions to help to make this a celebration, by holding an event or events, to promote and enjoy this wonderful sport over the period **25th October – 2nd November 2014**.

Share your clubs celebration plans on the PNZ Facebook page or email it to dezandsarah@xtra.co.nz . Then remember to send us the picture and details after the event and we will select the winning club on the 15th of November.

Petanque New Zealand will consider helping your club financially, to support a worthwhile promotional idea. If you'd like to discuss a promotional idea or need some assistance, please contact Richard C/- secretary@petanquenz.com or by phone on 0274 842 775
